

INTERNATIONAL HEALTH CERTIFICATES INFORMATION

1. All international health certificates are to be scheduled in advance. No same day international health certificates.
2. We will need to know the date of departure and the destination location(address where the pet is traveling to).
3. It is the responsibility of the pet owner to collect any paperwork/documents that are not at FRAH and have them brought/emailed/faxed to the clinic PRIOR to the appointment so that it can be reviewed. Failure to do so may result in increased cost of the certificate or no health certificate issued at all.
